

Supreme Knob - Heavy Traffic Entrance Matting

Stop Debris Before it
Enters The Building

Supreme Knob Matting:

This matting is resistant to spikes and skates, salt and several chemicals. Supreme Knob is anti-static, UV stabilized, easily cleaned and offers the widest roll width without a seam. It is an effective scraper and wiper. The only thing that matches Supreme Knob's durability is its effectiveness in catching dirt and stops moisture from coming in.

Key Benefits

1.

High Durability and Function

Super heavy duty needlepunch matting

2.

Flawless Performance

Impervious to many chemicals and debris

3.

Surface Resistivity

Permanently anti-static and enhanced UV stability

4.
